

# LG Prince

**Highest yielding biscuit wheat Recommended variety**

**Nabim Group:** Group 3

**Market Options:** Biscuit, Cake-making & UK Distilling

**OWBM Resistance:** Yes

**Sowing Date:** Early

LG Prince is the highest yielding biscuit variety on the AHDB Recommended List 2021/22. It has a good disease resistance package, with the addition of OWBM resistance and also meets specification for the grain distilling market.

## Strengths

- The highest yielding biscuit variety on the RL
- Meets specification for the grain distilling market
- Short stiff straw with a later maturity
- Good resistance to Septoria tritici and both rusts
- High yielding on either light or heavy soil types & especially good in second wheat situation
- Orange Wheat Blossom Midge Resistance

## Technical Information

Rothwell, Market Rasen,  
Lincolnshire, LN7 6DT
