

Castlehill®

Long term ley with rock solid performance

Use: Dual Purpose & Hay and Haylage

Animal: Most Livestock

Length of use: Long Term (7+ Years)

Available with Clover: Red Clover, White Clover & No Clover

Combines high yields with long term persistence. True dual purpose for all livestock classes.

Castlehill® is the long term ley with rock solid performance which is suitable for most soil types and climates.

An excellent feed for all classes of livestock with superb disease resistance. It delivers the performance of a medium term ley combined with the persistence of a long term ley. Reliable top quality grazing and cutting.

Invest in Castlehill® for the ultimate in long term productivity.

Treated with HEADSTART® GOLD for improved establishment.
