

# Award Forage

**Massive yields of quality maize!**

**Maturity:** Intermediate

**Site Type:** Favourable

**Sowing Type:** Open & Plastic

**Massive yields of quality maize!**

Award has superb energy and starch yields when grown either in the open or under plastic.

## Strengths

- Suitable for growers on mainstream sites (Maturity Class 5)
- Officially recommended for use under plastic by DAFM in Ireland
- Superb energy and starch yields when grown under plastic
- Improved cell wall digestibility, creating high energy maize silage
- High dry matter yields, maximising output per hectare and reducing growing costs
