

Equity

Adding value to your maize crop

Maturity: Early

Site Type: Favourable & Less Favourable

Sowing Type: Open

Adding value to your maize crop

Equity is a new LG maize variety that benefits from reliable performance with energy that won't disappoint.

It is an early variety, that is highly digestible for improved feed intakes.

Strengths

- Early to harvest (MC8) and can be grown on most sites
- Superb early vigour encourages rapid early season growth
- With good digestibility and a high starch content Equity delivers quality silage
- A strong performer across the board delivering reliable results
