

Fieldstar Forage

Delivering excellence for every maize grower

Maturity: Early

Site Type: Favourable & Less Favourable

Sowing Type: Open & Plastic

Fieldstar is great performer both in and off the field and can be relied upon to deliver quality forage every year.

Fieldstar is the best first choice variety available for Eyespot tolerance making it ideal for growing in areas at risk of the disease.

Superb early vigour for an early season start that aids crop performance. A robust variety that has proven to be reliably high yielding, whatever the season.

Fieldstar is a Limagrain Animal Nutrition (LGAN) accredited variety.
