

LG31.205

Early to harvest with massive yield of high quality feed!

Maturity: Early

Site Type: Favourable

Sowing Type: Open

An exciting new variety set to become one of the top performing varieties in the UK!

Strengths

- Maturity Class 8 - suitable for all sites
- Erect leaves with mid height crop
- Good eyespot tolerance
- Exceptional ME yield for an early variety, maximising energy production
- Well developed cobs provide a high starch content for high feed value
- Exceptional yield for an early variety reducing the costs of production
