

No.2 Grazing

Organic grazing grass seed mixture

Use: Grazing & Extended Grazing

Length of use: Medium Term & Long Term

Animal: Dairy, Beef, Sheep, Other & Most Livestock

This grazing mixture differs from conventional mixtures in that it has a high white clover content and a more open sward, which enables the clover to thrive.

The mixture also contains mid and late season perennials – including some very palatable tetraploids.

Strengths

- High palatability
- Productive ley
- Includes white clover

Technical Information

70% Organic seed content.
