

No.4 General Purpose

Cut and graze organic grass seed mixture

Use: Silage & Grazing

Length of use: Long Term

Animal: Dairy, Beef, Sheep, Other & Most Livestock

This long term organic ley mixture is highly versatile, being well suited to a range of soil types and growing conditions.

General Purpose will produce high quality silage from one or two cuts with aftermath grazing.

Conversely, if used as a grazing ley, the white clover blend will enhance digestibility, as well as inputting soil nitrogen.

General Purpose is suitable for all classes of livestock.

Strengths

- Versatile mixture
- Cut & Grazing
- Includes white clover

Technical Information

70% Organic seed content.
