

Top Flush Millet Blend

Millet blend for maximum seed shed

Use: Cover & Feed

Length of use: 1 Season

Sowing Period: Spring

Herbicide Weed Control: Yes

Feeding birds can be expensive, why not grow your own feed and reduce your costs?

Strengths

- A carefully blended mixture of red, panorama and white millets
- Mixture ensures a wider window of seed shed
- Feed value from September to December
- Provides an excellent feed block if sown adjacent to maize
- Can be cross drilled or broadcast in maize crops to add feed value and warmth
- Crop Height 80-100cm

Technical Information

Supplied in 10 kilo units.
